6 ends per game. 6 rocks per end. Team members cannot cross centre ice once games have begun. Must use a delivery stick. Right handed = left hack; Left handed = right hack. Rock must be release before front of the rock reaches nearer hog line.

Sweeping /brushing is allowed by the delivering team only from the hog line to the back line or by the opposition team from the tee line to the back line at the playing end.

3 Rock rule is in effect, whereby a rock cannot be removed until the delivery of the 4th rock

A point system will be used. 5 pts for a win; 2.5 pts for a tie; 2 pts for each end scored in and 1 pt each for a blank end. Both teams should play all 6 ends due to point system.No extra ends for tied games due to point system.

Teams must arrive 20 minutes before scheduled game time to complete a coin toss for rock color and 1st or 2nd practice. Each team will be allowed 3 practice rocks up and back prior to the start of their game. The last practice rock for each team will be a draw to the t-line. The rock must finish on the side of the ice which matches the color being thrown. The team with the closer rock to the t-line will have choice of throwing the last rock in the 1st end.

Further generic rules may be posted at the Silver Fox before the 1st scheduled game.
